SUBJECT: (SporView® Biological Indicators)

Dear Scott,

This is in response to your request for Material Safety Data Sheets for SPSmedical Supply Corporation products.

The SPSmedical SporView Biological Indicators for which you requested an MSDS's either does not contain a regulated chemical or are considered an "article" as defined by the OSHA Standard 29 CFR 1910.1200 (b) (6) (iv). As such, they are exempt from Material Safety Data Sheet (MSDS) provisions of 29 CFR 1910.1200 (g) (6).

This product is non-pathogenic and is considered to be non-hazardous. Because the item contains glassware, broken glass should be handled following any users internal guidelines for glassware cleanup.

Please feel free to contact me with any further questions you may have and as always, we thank you for your interest and confidence in SPSmedical.

Sincerely,

A handwritten signature in black ink that reads 'Wendy L Voss'. The signature is written in a cursive style with a large, looped 'W' and 'V'.
